

ACT PREP

Course: Fall 2017

Instructor: Mr. David Thompson

Room: 108

Class Description:

The ACT Prep Class is designed to familiarize juniors, seniors and post grad students with the ACT test required for admission by many universities.

Well-prepared students are more likely to score higher on the ACT, which may increase their chances of receiving scholarships and enable them to have more options when selecting a college.

This class is on a Pass/Fail grading scale. There will be homework which must be turned in on time and complete. Assignments and course materials will be on the CANVAS SYSTEM.

ACT/SAT TEST PREP

By Mr. Thompson

The following statement and follow-on consequences were developed over a decade of research into how the test is actually engineered

Knowing how the test is engineered, you will be.....

- Less likely to be overwhelmed by the whole deal psychologically

- Less likely to waste time on test day trying to figure that out

and

- More likely to know the different question types and how to answer them
- More likely to better manage your time on test day
- More likely to get down to 50/50 faster
- More likely to spot clues in text and answer choices
- More likely to develop a strategy for the test that works best for you
- More likely to know when to guess and go on to the next question
- More likely to better overall

Knowing is a key to Success

ACT STRATEGIES

Students will learn test-taking strategies, review English, math, and science content, take practice tests and discover ways to reduce test anxiety. This course is Pass (P) or Fail (F) which requires regular attendance and participation to be successful.
